Policy No.

POL.009

From time to time individual owners or a group of owners may offer to contribute additional landscaping, primarily on common land, at their own expense to enhance the environment. With proper approval the Corporation encourages these actions.

- I. The owners of property within Wind Meadows may contract for additional landscaping on common land with recommendation of the Architectural Review Committee and approval of the Board of Directors.
- II. The landscaping, when approved, will be:
 - A. Paid for by the individual or group requesting the additional landscaping.
 - B. Maintained by the Corporation consistent with the landscaping contract.
